NOVUS 2K26

A Celebration of Innovation, Creativity and Culture

Venue: KLH Bachupally Campus, Hyderabad

Dates: October 9–10, 2026

Event Type: Techno-Cultural Fest

Event Overview

NOVUS 2K26 was a techno-cultural fest organized at KLH Bachupally Campus, bringing together technology, creativity, innovation and cultural expression. The event provided a platform for students to showcase their talents, explore new ideas and participate in a vibrant campus experience.

Learning, Collaboration and Creativity

The fest highlighted the importance of combining technical knowledge with creativity, teamwork and communication. It brought students and faculty together in an environment that encouraged collaboration, enthusiasm and active participation.

Celebrating Student Life

NOVUS 2K26 represented the dynamic spirit of student life at KLH, celebrating the diverse talents and interests of the campus community. It offered an opportunity for students to connect with their peers, express their creativity and create memorable experiences beyond the classroom.

Conclusion

Overall, NOVUS 2K26 celebrated the values of innovation, collaboration and cultural diversity, reinforcing the importance of holistic development in university life.
